## ICC Fall/Winter 2007-2008 Homestead Form

By November 7, 2006, the ICC office will begin offering contracts for the Fall/Winter 2007-2008 contract period. As a current member, you have the opportunity to reserve (or "homestead") a space without signing a contract until January 15, 2007. This homestead form will save your space until January 15, but **it is not a contract**. The ICC office will be closed on January 15, 2007. If you have not signed a contract by January 16, 2007, your space may be signed for by someone else.

This form also gives you the opportunity to reserve a space in a different house, provided there are vacancies left by members not returning to their house. Please remember that you will probably have less seniority for room picks in a new house than in your current house. Note also that if more than one person wants to reserve the last space in a co-op other than their own, the space will be given to the member who returns the form to the ICC first. **Thus, if you want to reserve a space in another co-op, you should return this form directly to the ICC office as soon as possible.**

**Please return this form to the ICC office by 5 pm, Wednesday, October 25, 2006**
